SUMMER 2021

Intensive Turkish Courses

Intensive Turkish Courses – Summer 2021

An intensive Turkish course will be organized to help those who want to study, do research, and work in Turkey.

Turkish Language:

Turkish is a well-established language known to have been spoken since the earliest periods of history. Today, Turkish is spoken by more than 200 million people spread over a wide geography in the world, and it is a world language rich in expression power and number of active words. Having interacted with many languages over time, Turkish has been divided into various branches and one of these branches is Turkey-Turkish. Those who learn Turkey-Turkish will not only get to know the rich Turkish culture but also have come a long way in understanding the branches of Turkish spoken in other countries.

Education Process in TÖMER:

Uşak University Turkish Teaching, Application and Research Center is a language center that prepares various programs on the teaching of Turkish as a foreign language and teaches Turkish to thousands of international students from all over the world with its staff, who are expert in their field, and experienced in language teaching techniques. In this center, all lessons held face-to-face and/or online are taught interactively and supported by the course materials and innovative equipment.
